

New Medicaid Pregnancy and Postpartum Benefits

If you have TennCare Medicaid and you are pregnant you will now keep your health care for 12 months following childbirth. You also have dental benefits during this time!

To access dental benefits, you must update your TennCare Connect account to tell us that you are pregnant. You can update your TennCare Connect account by calling **855-259-0701** or visiting **tenncareconnect.tn.gov**

A healthy mouth can mean better health for you and your baby now and in the future.

- DentaQuest can help you find a dentist.
- Call **855-418-1622** or
- Visit **dentaquest.com/state-plans/regions/tennessee/**

Don't forget about your health care after delivery!

- Be sure to talk to your doctor about your physical and mental health.
- If you have complications (for example high blood pressure, high blood sugar) in your pregnancy or after delivery, continue to see your doctor.
